Own Brand

Three Steps to our Own-Branding Process

1. Give us an image/images of your original artwork

2. Give us your logo, colours & any text or adverts

3. We make you a great calendar

Note:-
On the following pages we have shown our three most popular calendar layouts. For your images you can use photos, paintings, artwork poems, recipes or anything else you would like. Images will need to fit into the box areas shown.

Your first order of calendars for each year must exceed £200 (exc. VAT) . Reprints thereafter can be ordered in multiples of the outer quantity they come in but P&P rules will apply. Orders that have a value of more than £175 (exc. VAT) will be P&P free. Orders below £175 will be charged £8.50 plus VAT.

Images must be in high resolution digital format. We can receive them by email, disc or memory card/stick. To ensure you get the best possible calendar we ask that your pictures be taken while on the best quality setting on your camera. Most file types are accepted as long as they are of original, like for like size and at least 300dpi for JPEGs. We do not accept images in word, publisher or powerpoint

General Own-Branded Product Set-Up Charges are as follows:
Order value up to £70 has a set-up charge of £18. Order value less than £135 has a set-up charge of £9. Order value less than £175 has a set-up charge of £6. Orders of £176 and above has no set-up charge.

Our most popular calendars have 13 or 14 pages, however you can add as many extra pages as you would like. They will be charged at 1/13th of a 13 page calendar cost.

Reprints of products may be ordered in multiples of the outer quantities they come in.
